COMPANY PROFILE

OUR IDENTITY

From Soon Aik to INNEOVA: An Evolution

To reflect our growth, new vision and future, it became clear that our legacy brand no longer reflected the full breadth of who we are. What began as Soon Aik Group—a trusted name in automotive and industrial parts distribution—needed an evolved brand identity.

Our 55th anniversary marks a pivotal moment of transformation as we take a bold step forward with a new identity—INNEOVA.

WHAT WE STRIVE FOR

Our Mission

To provide innovative solutions across the entire business value chain—spanning industries, mobility platforms, and nutritional wellness—while advancing environmental sustainability.

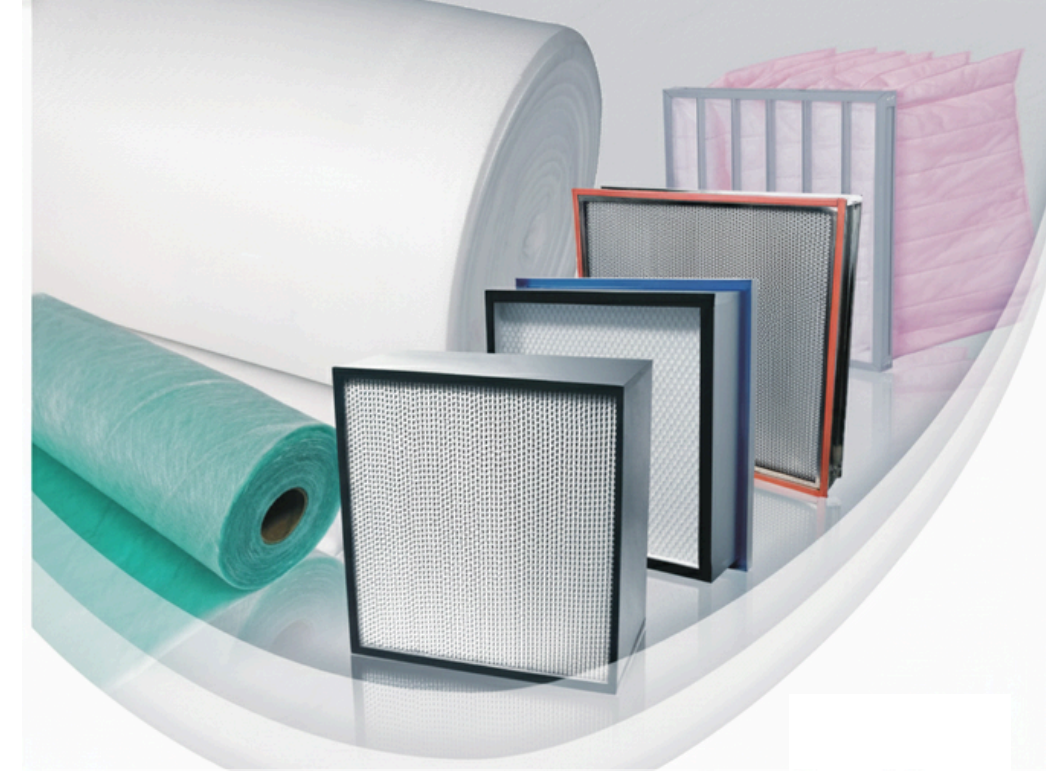

Our Vision

Championing an innovative and sustainable future where businesses and communities are empowered to thrive all together.
